WARM SPACES

with a warm welcome

Residents are warmly invited to spend time at some of Harpenden's welcoming halls and spaces over the cold weather period.

Refreshments will be available, some venues have organised activities, and all offer good company!

“Warm Spaces” are open in response to rising fuel bills; they’re a small way of helping with the cost of living when we’re all feeling the pinch.

Look out for the Harpenden Warm Space sign as the list of venues grows!

Harpenden Cares, a partnership of local organisations, is working to provide additional warm and welcoming venues, available throughout the winter, you can find updates on the Town Council website www.harpenden.gov.uk and in our flyers available at the Town Hall and around Harpenden.

Please share this information with friends, family and neighbours - look out for the Harpenden Cares Warm Spaces logo.
